Bad Piggies is a very popular game for all ages where you can create vehicles, battle eggs and collect jewels. If you have any questions, please use the comment function below to ask! Outdated Badge? The button you are looking for is probably just a little underpowered compared to the rest of your computer. Check out our guide on how to fix your computer problems in 5 minutes or less. Double click on the above link to save the file to your computer, then run the file. Once it is loaded a green box will appear with a number of steps and descriptions. First click on "Step 1" and then click on "Next". Then go through the file until it finishes. Your computer will restart. Once it has restarted you will have to go through the files steps again, but this time, you will have a different box that says "Restart" at the bottom of the screen. Just click on it and it will restart. The guide recommends the use of a virtual machine. It is a very good idea to use a virtual machine to run games on. They are much faster than trying to run games on a physical computer. Make sure you download the latest version of VMware Workstation or Player and use it to run your games. If you get a message that the program is missing something, this means that the game did not install properly, or something did not work. In this case, delete the game from your desktop. Then download the game again. Let us know what happened in the comments and share with your friends! You could get into more trouble if you use it on the wrong computer. Many people have experienced problems when running it on their laptops. Unplug the USB cord from the keyboard, type "badpiggies" in the search bar of Google Chrome and hit Enter to get the official Bad Piggies website. When this page opens, you will want to click the "Download the Bad Piggies game" button. Once the game is installed, launch the game from your computer's default launcher and wait a few seconds for it to load. When you see the Bad Piggies icon in the task bar, click it to launch it. The game opens just like normal. When the game loads up, you will see some tutorials. One of the first things you need to do is create an account at [www. Bad Piggies](http://www.BadPiggies.com). They have some perks that regular people don
