“With our game engine and our collaboration with the video game industry’s top motion capture studio, HyperMotion, we have assembled a team of some of the best-known footballers in the world, including the likes of Mesut Özil, Aaron Ramsey and Paul Pogba, to develop a new generation of football intelligence,” said Steve O’Brien, the Creative Director of FIFA. “We are utilizing their expertise to enhance game play, improve artificial intelligence and develop our next generation of ‘player models.’” “Having worked with the likes of EA Sports, Konami and other large video game companies in the past, I know first-hand how it feels to work with a world-class development studio on a video game,” said Tim Clark, Creative Lead for HyperMotion, who is largely responsible for the development of this groundbreaking technology. “We at HyperMotion want to create a game that allows players to re-live legendary moments, simulate the feeling of playing with the world’s greatest players and ultimately have fun. We are determined to bring real soccer to life.”

## **Fifa 22 Features Key:**

- **Live The Dream: Make The Most Of The Game's Upgraded New Dynamic Gameplay.** A full 360-degree license-supervised engine is used for both Touch and Play modes which accurately represent the latest ball movement and replays for players and goalkeepers. Highly realistic physics, combined with Hollywood-grade motion capture and a state-of-the-art graphics engine, create the most realistic football experience you've ever played.
- **Improve The Game With Enhanced Managerial Experience.** Manage the team or players' attitude and experience, and make tactical changes on the field in real time. Plan your moves, consider the opposition and everything that influences the outcome of the match in Manager Ultimate Team.
- **Play As A Pro Not A Casual Gamer: Play Your Way Into The World's Finest Club.** Hone your skills on the ball in two more intuitive gameplay systems: the new Player Traits feature and new Player actions tools. Everything, from dribbling to passing, shooting, and headers, will play differently based on how you choose to play football.
- **Put There Where You Want To Play Your Way Into The World's Finest Club** Select any player in the game and the edition of the kit they are wearing. Your purchase is instantly reflected in-game and as your career progresses, depending on the outcome of each match and the results of player contracts, you can swap for top players from other editions of the game.

The mode lets you build and manage your very own Ultimate Team of 23 footballers, with each player having his own attributes, traits, and skills. You have access to everything from whole new kits to clubs and stadiums, to entire player kits or just individual bits and pieces. You can cut, change, and combine kits, change a player's whole appearance, or add or remove a player from a game. In FIFA Ultimate Team, your team can buy out real-world players (or create your very own) and perform with them for as long as you own them in the game. You earn in-game gold by winning games and performing well, and you use this gold to purchase specific player packs of real-world players – from legends to current stars. You can mix and match these kits and players, develop your own strengths and weak points, and develop your own philosophy on how to play the game. Team Management – Adjust how your players train to see how they respond in the heat of battle. Build and manage your team to win the biggest tournament in the world by taking your squad to the most iconic locations around the globe. Live Events – Live Events are the most unpredictable part of FIFA – give the ball to your star player in an epic match and let the fans choose the outcome. Challenge for the World Cup with your favourite countries across 4 different formats: World Cup, World Cup Qualifiers, Hexagonal/Round of 16/Final, and Confederations Cup. MUT Global Multiplayer – With FIFA mobile players, mobile players, and console players included, MUT Global Multiplayer offers real-world football fans the chance to play with their friends across online, local, and offline modes.
